Chorus :

All things bright and beautiful,  
all creatures great and small.

All things wise and wonderful –  
the Lord God made them all.

each little bird that sings –  
he made their glowing colors,  
he made their tiny wings. (chorus)

2. The purple-headed mountain,  
the river running by,  
The sunset and the morning  
that brighten up the sky. (chorus)

and lips that we might tell  
How great is God Almighty who  
has made all things well.
